West Los Angeles College has a partnership with Hollywood Cinema Production Recourses "Hollywood CPR" and Hollywood CPR has the pathway into careers in the entertainment industry. **The Hollywood CPR Entertainment Artists, Crafts and Technicians Certificate** is an additional merit-based distinction above and beyond the West Los Angeles College Film/TV Crafts Certificate of Achievement that signifies a proficiency of entry-level skills to employers and trade unions. In order to be eligible to apply to Hollywood CPR, students need to complete the WLAC Film/TV Production Crafts certificate with a GPA of 3.0 or better, and additional criteria including granting Hollywood CPR permission to review their grades and records for certification purposes.

Please consult with the Chair of Arts & Performance if you are interested in the Hollywood CPR Entertainment Artists, Crafts and Technicians Certificate.
